Ag Day at the State Capital

I was able to attend Ag Day at the Capitol in Sacramento on March 19th. Ag Day is a fun, informational event held every year at the Capitol. There were many educational booths and demonstrations at Ag Day, including an electronic milking cow named Buttercup and roping demonstrations. There were free samples, including honey, ice cream, tri-tip sandwiches, and flowers. There were two different 4-H booths there – one with animals and one with junk drawer robotics.

I learned at Ag Day at the Capitol that there is a great donation program that California Grown is holding.

If you take a photo of any California grown product or even a photo of the CA Grown logo and share on Facebook, Instagram or Twitter using #CAGrown they will donate 1 pound of California grown food to a food bank for each hashtag. I hope all of our local 4-H members take advantage of this campaign and take a lot of photos!

It was a very fun and interesting day and I'd like to go again! By Emma Cucchi

4-H Club Reports

Franklin 4-H Club The Franklin 4-H Club's Community Service project members recently made personalized Valentine's Day cards and the Beginning 4-H project members decorated heart shaped cookies for the residents at Emerald Oaks Retirement Home in Yuba City. Three of our Franklin members gave presentations at County Presentation Day. Austin Smith received a Blue award and Natalie and Wyatt Prather each received gold awards. Austin also gave his beef presentation at our club level and Katey Patrick gave her pygmy goat presentation, too. They were both really informative. Submitted by Alaina Sims, Reporter

Dententer 4-H Club In January, the Dententer 4-H club invited District 10 members to its monthly meeting. Those who attended were Beth Clayton, Kayla Clayton, Lloyd Clayton, Tamara Wilson, Kendra Wilson, Lena Jones, Ethan Jones, Johnathon Vohnes, Erin Mullikin, and Caroline Ransom. After the meeting, District 10 participated in the Valentine for Vets project. Handmade Valentines were made to be sent to Veterans all over the world. In December, District 10 had also joined us in caroling at Prestige and in visiting with the elderly afterwards. Thanks District 10, it was very enjoyable. Dententer's own Michael Shurtz walked with the Franklin members in the Bok Kai Parade. Michael helped carry the county banner while the Franklin girls passed out candy. They received lots of smiles from the observers. During the March monthly meeting, members of the Dententer 4-H club all gave presentations. Michael Shurtz showed us how to reuse an empty aerosol can in "Secret Hiding Place." We learned about braiding in "Welcome to Braidville" by Emily Dyer, Ericka Shockley, and Sarah Shurtz. We were astounded by Myles Shockley's simple to make toy which he called "Spin-a-mi-jig." Sarah Shurtz and Erika Shockley demonstrated a recycling project in "Soda Tab Wind Chimes." Finally we were amazed by science with Robert Shurtz's "When Charges Attract (or Repel)." Submitted by Robert Shurtz

Submit club reports by April 18 for the May Clover Chatter to rjmccrory@ucanr.edu.
