COUNTY UPDATES: WE'RE OFF TO A GREAT YEAR!

2021 Farm Day

Presented by the Yuba Sutter Farm Bureau

Four of our 4-H clubs and the 4-H Office presented at this year's Farm Day. Clubs that presented were Browns Valley, Hallwood, Plumas and Wheatland with topics ranging from Goat, Sheep, Rabbits, Chickens and Embryology. Big thankyou to Natalie & Morgan Prather from Franklin 4-H Club for presenting at the 4-H Office table.

2021 Club Officers Training

Yuba Sutter Fairgrounds

Approximately 25 officers from Sutter-Yuba 4-H clubs attended an Officers Training on Monday, September 27th at the Yuba-Sutter Fairgrounds. The evening began with pizza and a group problem solving and deliberation activity "Trapped on the Moon" created by NASA. Yuba-Sutter Fair Manager Dave Dillabo hosted an engaging and charismatic discussion about what it means to be a leader. The Marysville FFA Chapter hosted a session on parliamentary procedure and conducting a formal business meeting. The members then broke out into groups based upon their elected office and what responsibilities they will hold this upcoming year. Finally, the night ended a little early due to unforeseen, but nevertheless welcome, rain – it was a fun and educational start to the 4-H year for all that attended!

WELCOME BACK!

4-H Kick Off Event—Saturday, October 9th

News from the State Fashion Revue Committee

We are excited to announce the details for **2022 State Fashion Revue!** The theme is **"Fashion Returns"**. We're keeping your favorite categories: Traditional (open to Clothing & Textiles/Sewing project members) and Consumer Science Purchased \$40 limit (open to all 4-H members). The Historical Challenge returns, because who knew there were so many 4-H'ers who wanted to create historical outfits! The outfit must be inspired by a design from before 2000. The Historical Challenge does not have a 4-H project requirement. The Box Challenge for 2022 is Pants, or they can be shorts, capris, or a skort, but not leggings. Members must use at least the number required of the elements in the "box". The pants must be sewn as part of the Clothing & Textiles/Sewing project.

The final challenge is the **Trashion Fashion Challenge**. "Trashion" is a fashion philosophy that combines environmentalism with innovation. Trashion helps give new life to waste materials that would not normally be used again. Participants in this challenge will create a garment out of recycled, repurposed, secondary use materials. The garment must be made from at least 75% recyclable or reused materials that would otherwise be thrown away or recycled. The materials should not be new. The entry must include a statement about one of the material's effect on the environment and how the material can be reduced, recycled or reused by the public. There is no 4-H project requirement; any 4-H member may enter this category.

The 2022 service project is making reusable bags out of recycled T-shirts called "Bag it, Don't Trash it." The sewing is simple and the uses are many!

The committee is still recruiting youth members (especially teens with leadership experience) and adults. You do not need to sew to help put on SFR! Each person on the committee takes on responsibility for a part of the event.

Check out the [State Fashion Revue Event page](#) for all the details about the 2022 SFR categories and service projects.

If you have questions or want to join the committee, contact 4HCASTateFashionRevue@gmail.com
