LIVESTOCK HANDLING & ANIMAL BEHAVIOR

by

TEMPLE GRANDIN

Internationally known Speaker & Author

Monday, May 8, 2006, 5:30 to 8:00 p.m.
Don Smith Pavilion, Tehama District Fairgrounds
650 Antelope Blvd., Red Bluff, California

Time: 5:30 p.m. – Dinner \$13.00/person
6:00 to 8:00 p.m. - Presentation

The presentation is free, but if you would like to have dinner with other cattlemen please fill out and return the registration form with payment by April 31st.

Temple Grandin, Ph.D., Associate Professor, Department of Animal Sciences at Colorado State University is known for her work on animal behavior and livestock handling. She has been featured on major television and radio programs, such as *20/20*, *Primetime Live*, *the Today Show*, *NP* and written up in national publications such as *Time*, *People*, *US News & Reports*, and *the New York Times*. Her writing on flight zone and other principles of grazing animal behavior have helped reduce stress on animals during handling. She has conducted extensive research on livestock handling facilities as well as cattle temperament. Dr. Grandin is the author of "Thinking in Pictures", "Livestock Handling and Transport", "Genetics and the Behavior of Domestic Animals" and her newest *New York Times Bestseller* "Animals in Translation: Using the Mysteries of Autism to Decode Animal Behavior."

Registration Form

Butte County Cattlemen Field Day
Saturday, May 6, 2006
Sherwood Ranch
332 Oregon Gulch Rd., Oroville

The Butte County Cattlemen will have their annual field day on Saturday, May 8th starting at noon with a barbeque lunch. The educational program will follow and focus on animal identification and newest ear tags and equipment. There also will be a demonstration of the new herbicide Milestone that controls yellow starthistle, fiddleneck, and more.

In this Issue

**SFREC Field Day.....April 20 in Browns Valley
Livestock Handling with Temple Grandin...May 8 in Red Bluff
Butte County Cattlemen’s Field Day.....May 6 in Oroville**
