UC IPM Pest Management Guidelines (PMG)

Walnut UC IPM PMG:

The UC Integrated Pest Management (UC IPM) program recently published a comprehensive revision of the online Pest Management Guidelines for Walnut. Get the latest research-based information for managing walnut pests including Botryosphaeria/Phomopsis, Scale pests, Walnut husk fly, Weeds, and many others! Access the Walnut UC IPM PMG at ipm.ucanr.edu/PMG/selectnewpest.walnuts.html.

Peach UC IPM PMG:

The Peach PMG has updated information in 2017 on fungicide efficacy and treatment timings for peach diseases and fungicide resistance management. Access at <http://ipm.ucanr.edu/PMG/selectnewpest.peach.html>

Kiwifruit UC IPM PMG:

The Kiwifruit PMG has updated information in 2017 on fungicide efficacy and treatment timings for kiwifruit diseases. Access at <http://ipm.ucanr.edu/PMG/selectnewpest.kiwifruit.html>
